Hyundai Named 2018 Top Non-Luxury CPO Program by Autotrader

- **Leading Warranty, Low Deductible and Transferability Give Hyundai the Highest CPO Value**

FOUNTAIN VALLEY, Calif., May 22, 2018 – Hyundai was named the Best Non-Luxury Certified Pre-Owned (CPO) Program by Autotrader for 2018, helping customers to make reliable choices when selecting a certified pre-owned vehicle. Experts at Autotrader recognized [Hyundai CPO](#) vehicles as the top choice for used car shoppers, noting its leading manufacturer warranty coverage, low deductible and transferability.

“If you’re shopping for a mainstream vehicle, look at Hyundai, it has one of the best warranties in the entire automotive industry,” said Brian Moody, executive editor for Autotrader. “When you combine the new-car 5-year/60,000 mile bumper-to-bumper comprehensive warranty, powertrain coverage of 10 years/100,000 miles, which is better than a new-car purchase and unlimited mileage roadside assistance, Hyundai is truly offering an unprecedented value. In addition, the coverage is fully transferable to subsequent owners, which will add value to the vehicle if an owner does sell before the warranty expires.”

For 2018, the 10 Best Non-Luxury and Luxury CPO Programs were identified based on a series of factors, including powertrain warranty length (with a minimum of six years or 100,000 miles of coverage from the original sale date), available inventory, bumper-to-bumper warranty coverage, deductible amount and transferability to future vehicle owners.

“At Hyundai we are committed to quality and excellence in all the products and services we provide customers throughout their ownership journey,” said Jose Froehlich, Senior Manager, Certified Pre-Owned, Hyundai Motor America. “Hyundai’s Certified Pre-Owned vehicles are no exception. They have been through rigorous inspections by our specially-trained dealership technicians and are backed by an industry- leading suite of benefits to ensure customer satisfaction.”

Hyundai’s CPO program includes:

- A 10-Year/100,000-mile CPO Powertrain Limited Warranty plus the remainder of the 5-Year/60,000-mile new vehicle limited warranty from original in-service date and zero (0) miles
- Comprehensive 150-point quality assurance inspection for Hyundai vehicles
- 10-Year/Unlimited Mileage Roadside Assistance from original in-service date and zero (0) miles.
